Extended Learning Registration Information

Please keep for your own records

Registration:

Registration Deadline: Friday, October 4th, 2013.

Fall term runs Monday, October 7th, 2013 through Wednesday, December 18th, 2013. Space is limited, so please register early. Classes take place Mondays, and Wednesdays at ORCA K8.

Send completed registration form with check or credit card information to:

Powerful Schools
3401 Rainier Ave S - Suite C
Seattle, WA 98144
attn: Debbie McGibbon

Or, registration form with payment may be dropped off at ORCA K8 during regular school hours or the Powerful Schools' office between 9 A.M. and 5 P.M.

Make checks payable to: Powerful Schools.

Sorry, no phone registration.

A confirmation letter will be sent home.

Locations:

Unless otherwise stated, all classes are held at ORCA K8. Classes will begin and end in the lunchroom. An authorized individual **must** sign out your student in the lunchroom at the end of class. All K-5 students are welcome to register for classes at any of the six elementary schools our Extended Learning program serves, which include: John Muir, Maple, Hawthorne, Orca K-8, Beacon Hill International, and Graham Hill.

Tuition:

Class tuition is noted in the course description. Tuition is due by the beginning of each session, unless special permission is given or a payment plan has been arranged.

Scholarships: Scholarships are awarded based on need and a first come, first serve basis. You may **request one free class per family**. In order to do so, Powerful Schools needs verification of income (food stamp card, public access medical, etc. are acceptable). **You will be billed for class (es) if you do not attach income verification along with your registration. This information will be considered confidential and will not be shared.**

Course Cancellation: Powerful Schools reserves the right to cancel or modify classes when necessary. Courses are canceled if the minimum enrollment of students is not met before the first class. If a course is canceled, parents will be notified by phone.

Refund Policy:

- When classes are canceled by Powerful Schools, complete refunds are given.
- Students who withdraw before the second class will receive 75% of their tuition costs.
- After the second class, no refunds will be given.
- Powerful Schools reserves the right to terminate students' enrollment from class(es) program when behavior expectations are not met.

Late Fee Policy:

At the end of the student's assigned class the authorized pick-up person will be given a 5 minute grace period to pick-up their child(ren). After 5 minutes, a late fee of \$1 per minute will be instituted. Late fees are to be paid in full prior to the subsequent class. We request parents to make alternative pick-up plans in case of an emergency and notify Powerful Schools of these plans. Two late pick-ups are cause for termination from the program.

If any child is still at the school after the site coordinator's shift has ended, the **Seattle Police or Child Protective Services will be contacted.**

Full Classes Policy: If classes are full, we will keep a waitlist. Waitlist selection will be done via a lottery system.

Our Mission:

Powerful Schools reduces the academic achievement gap by creating strong partnerships with public schools to help children thrive. Through literacy, arts, after-school and leadership programs, we ensure all children succeed both in and out of school.

What We Do:

Through academic intervention, in and out-of-class learning, family learning and school readiness programs we are ensuring that all children succeed both in and out of school. We provide enhanced learning opportunities and one-on-one student support in schools where they do not have the resources or expertise to provide them. Our program offerings include, Learning Intervention, In-Class Learning, Extended Learning, Family/Community Engagement and School Readiness.

News and Updates:

Do you enjoy working with children and supporting their educational growth? If you do, Powerful Schools has several opportunities for you! Volunteers work in a variety of our after school classes at all of our schools. Volunteers typically volunteer one or two hours each afternoon, helping instructors in classes including science, math, homework help, art and more. If you're interested in volunteering, please contact our volunteer coordinator, Sandy Gunder at: sandy@powerfulschools.org or (206) 722-5543 , ext. 105. Or you can visit our website at: www.powerfulschools.org and fill out our volunteer application.

Come join the fun!
